MOTTANIS

Our Heritage & Expertise

Mottanis is a leading manufacturer of high-quality, handmade bricks rooted in the rich heritage of brick-making traditions dating back to the Indus Valley Civilization.

As one of Pakistan's premier suppliers, we specialize in producing a growing range of bricks with a strong focus on regional variations, available in both imperial and metric sizes.

Using time-honored methods, our skilled brickmakers reproduce authentic colors & textures, making our bricks the perfect choice for restoring, renovating, & more.

Our Vision:

“ Inspire Exceptional Construction Projects with High-Quality, Sustainable Terracotta “

BRCIKS COLLECTION

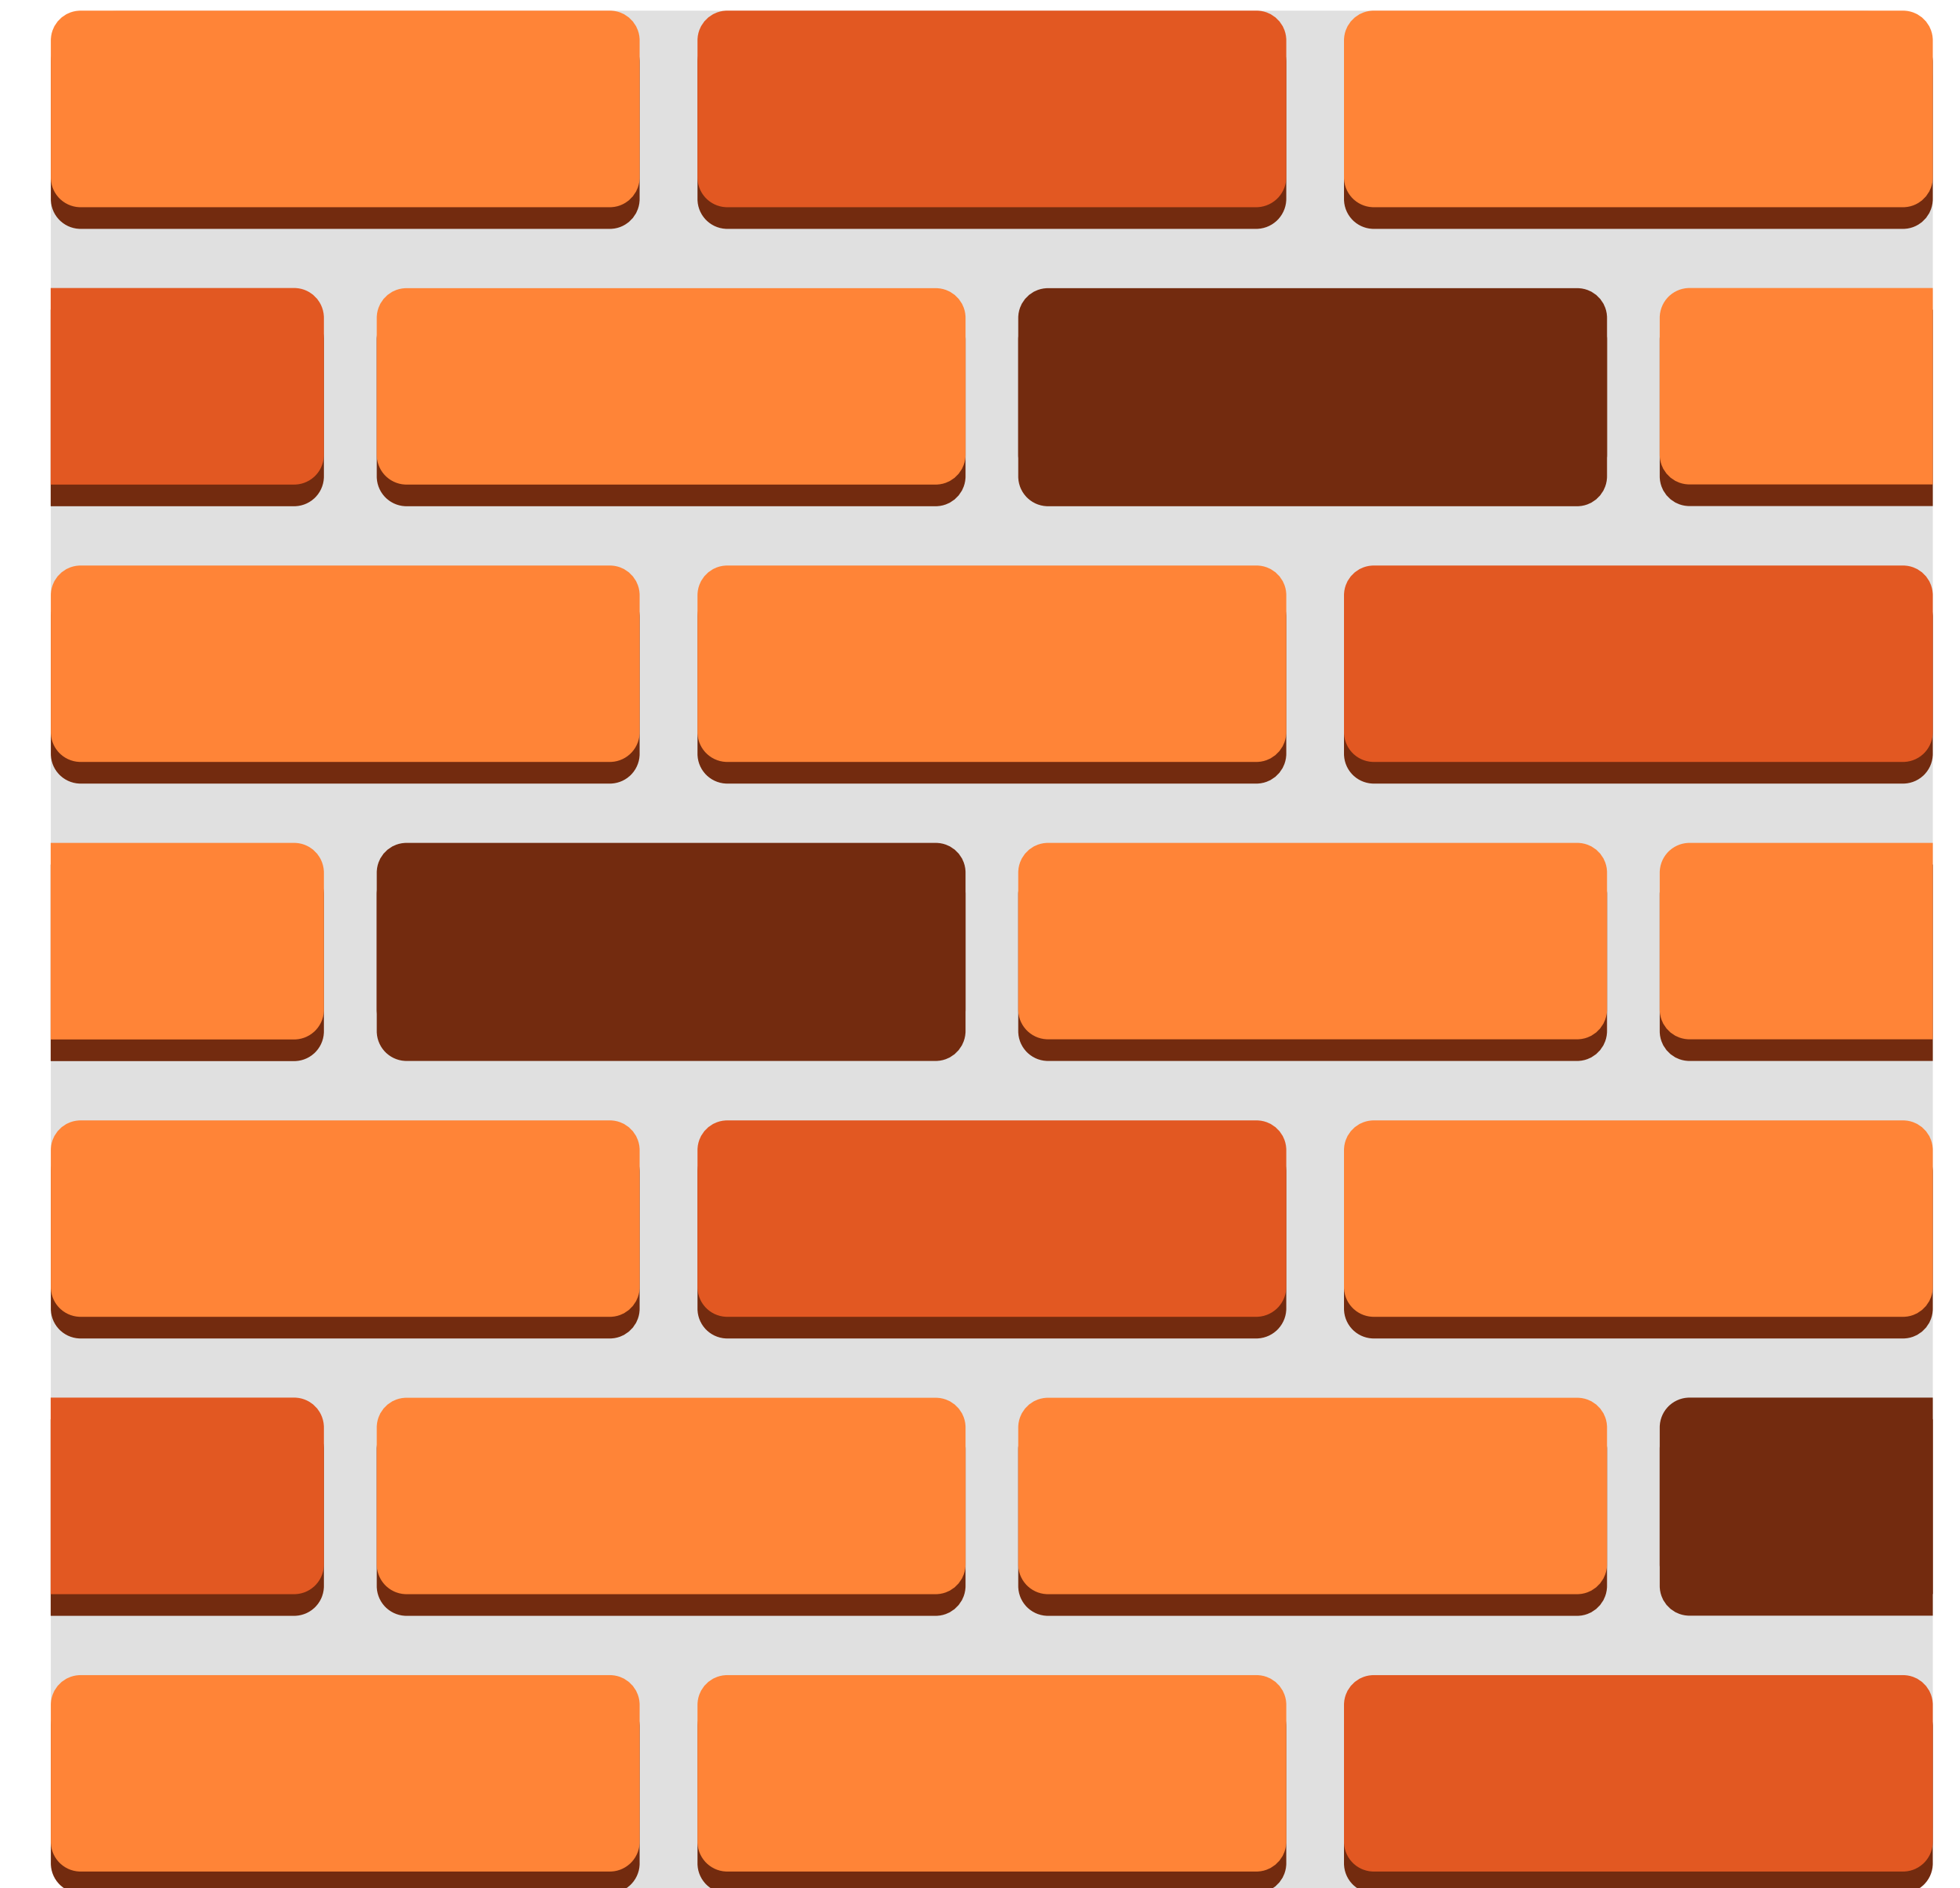

Bricks & Pavers Collection

The Multi-Yellow Collection offers a curated selection of bricks designed to integrate with existing structures and heritage sites seamlessly. This collection focuses on the timeless appeal of yellows, ranging from mild and pale to a classic London Stock Yellow.

The Multi-Yellow Collection empowers you to:

- Preserve the architectural heritage
- Achieve a cohesive aesthetic
- Respect the past, build for the future

Cambridge Buff Brick
